The Bay University is established on December 16, 2016 in Aruba and is registered at the Chamber of Commerce of Aruba, serving the purpose of providing higher education in the field of Medicine and Allied Health Sciences through Innovative Organ Based Curriculum.

The establishment of the Bay University fits in to the program of the Government of Aruba, aiming to diversify the economy, especially the knowledge based-economy.

The Bay University Foundation will operate through the Medical School which will prepare the students for obtaining MD degrees through their MD Programs which will be conducted at the Aruba Campus. The above-mentioned program is followed by a Clinical Rotation with a duration of two years which will be conducted at the Clinical Facilities in the US and other countries.

The Bay University is welcomed to operate a Medical University of "Deemed" status.

Sincerely,

The Honorable Minister of Education, Science and Sustainable Development
Armando R. ...

PreMed Program

Bay University runs a Pre-Medical Programs 90 Credits for the prospective students who run short of eligibility for MD Program. This Program is meant for students who have twelve years of schooling and will bridge the knowledge gap to understand the subjects of Medical Sciences. Beside Physics, Chemistry, Mathematics and Calculus, Research Methodology and Laboratory Procedures are introduced in this modules. Basic Life Support Training is mandatory for all the Pre-Med students.

PHASE I: BASIC SCIENCES

Semester 1 (MD-1)

- M-0: Basic Concept, Growth, Development and Genetics
- M-1: Nutrition and Metabolism

Semester 2 (MD-2)

- M-2: Blood and Immunology
- M-3: Gastrointestinal and Hepato-Biliary System

Semester 3 (MD-3)

- M-4: Respiratory System
- M-5: Cardiovascular System

Semester 4 (MD-4)

- M-6: Endocrinology and Reproduction
- M-8: Renal System Fluid Balances

Semester 5 (MD-5)

- M-8: Neurosciences
- M-9: Musculoskeletal and Integumentary System

Semester 6 (MD-6)

- M-10: Seminar and Research Project
- M-11 : USMLE Step 1 Preparation

PHASE II: CLINICAL SCIENCES (CORE ROTATION)

- IM: Internal Medicine
- GS-: General Surgery
- OG : Obstetrics & Gynecology
- PA: Pediatrics and Adolescent Medicine
- PS: Psychiatry
- FM: Family Medicine and Emergency Care

Bay University students enter the exciting phase of their studentship through four 'Core Rotation' of 12 Weeks each and each student spends 48 Weeks in these training programs. This part of the training program is organized in a renowned hospital which is ACGME Approved. Bay University has organized all the 'Core Rotation' in one ACGME Approved Hospital for the advantage and benefit of the students and curricular materials can be implemented a uniform training program.

CLINICAL SCIENCES (ELECTIVE ROTATION)

- CA: Cardiology
- NE: Neurology
- EN: Endocrinology
